“ *My good friend, Ms Sánchez , Delia, thank you for always making me feel welcomed. Marta and I would come to your home and study. There was always so much love for everyone. You always had food and snacks for us so we tackle our studies. You always made room for me. I will always remember your kindness and loving manner. In later years as an adult I will remember the times we shared some good times in your backyard. You always had some good spirits for us as we laughed together. You will be missed!!! A grateful friend, Jayne VC*

“ Mom, you are dearly missed. We were not prepared for you to go to heaven. It's hard not to see you at home. Thank you for being a great mother, wife, grandmother and great grandmother. I have so many memories of all the great things we did together. Thank you for all the love you gave us. For always being there for all of us. Your last words to me were , "Happy Birthday and may God always bless you" I wish I had hugged you one more time, laughed one more time, watched TV with you. Eat your favorite snacks. I love you so much. Until we meet again. Love you Tonie
