“Mrs. Solis/Grandma to my boys,
You were one-of-a-kind, classy and tough lady, & we were all so
blessed to have had you in our lives.

You were one of the strongest, admirable women I've ever known
You're the true example of a Proverbs 31 woman of God You were
a good daughter, wife, mother, grandmother, sister, tía, mother-in-
law, friend... You were such a good listener. You were there for all of
us, if we needed to talk to you. You could always make us smile and
laugh.

I still cannot believe you are gone, but I'm happy you are reunited
with Grandpa and all of your other family members in Heaven. You
have taught us that life is too short, not to take life for granted, and
we never know when someone's day will be their last. You also
taught us to make and to treasure those precious moments with
family.

Thank you for welcoming me into your house and then into your
family. You and Mr. Solis were the best! Thank you for so many
happy, fun memories (dances, traditional family celebrations),.
Thank you for being a wonderful mother-in-law to me and
grandmother to my boys. I'm sorry our time was cut short. Your
house was the place everyone wanted to be because it was always
full of laughter and good times.

We love you and will miss you very much. Give Grandpa, Apa and
Christina big hugs and kisses from all of us. Just keep dancing and
celebrating in Heaven with Grandpa!

“ *Delia and Emilio were members of the Edgewood Canteen Committee. For many years we sponsored dances to raise funds to benefit the Edgewood School District. We disbanded in 2016, after we celebrated our 50-year high school reunion, but we will always remember them fondly and cherish the memories we made.*

“ *When I was at my darkest around 2015-16 you were one of the people that told me it was going to be OK and you made it OK. I love you, Grandma. I will miss you.* ”

This is one of the pictures I was looking for! Thank you! She was there for all of our darkest moments. She showed her love just by being there, by listening, keeping us company & making us laugh even when we didn't feel like it. You can make her and your other grandparents proud because they live on through you. I'm glad Grandma and Grandpa were your grandparents. 💔😭

“ My beautiful Tia, you were one of the strongest women I've ever know. You always had a way of making us laugh even when we didn't want to. One of my greatest memories is making tamales at Ama's. You always wanted coffee and sweet bread before we started. We all knew we had a job to do but yours was always "filling" them, we didn't figure out until years later, as we got older why we'd run out of meat so quickly. You would be picking at it the entire time you were "filling", then say "I didn't do anything". Thank you for all the love, guidance and support throughout my life, you were the best Tia anyone could ever ask for. Until we see each other again, we all love and miss you dearly.

“ Rest in paradise my beautiful Tia! 🙏 You are missed so much. One of the many best memories we had is when we would travel, you would take a wrong turn and you would say we were "Sight Seeing" when in fact we were lost. We would laugh until we found our way. I'm certain you found your way to Tio. Now you can rest and enjoy paradise. Until we meet again. Love you my beautiful Tia. 💕
