

Dennis David Hart

March 21, 1948 - April 30, 2023

Dennis David Hart, born March 21, 1948, passed away on April 30, 2023 at the age of 75. He attended High School at Texas Military Institute in San Antonio and upon graduation attended Texas A&I University in Kingsville, Texas where he studied agriculture & mechanics.

After college, he moved to Marion, Texas where he enjoyed life on his Ranch and Raising Cattle.

He began a career at the Motorola Manufacturing Plant in Seguin, Texas, and retired after 41 years of dedicated service.

Dennis loved to barbecue and could make anything taste good. He loved the outdoors, restoring his Jeeps, hunting & fishing with his friends, and piddling in the shop at the farm where he loved working on his many projects & hobbies.

After retiring, he started working on perfecting his retirement, which involved: hunting with friends in West Texas, spending time with family, and daily trips to Dairy Queen for his afternoon Ice Cream. Dennis said the best part of being retired is that he didn't have to wear a watch and was on his own schedule. Dennis was sometimes a man of few words, however his family and those he considered friends, knew that his Big Heart spoke louder than any of his words.

He was preceded in death by his parents; William and Emma Marie Hart, Survived by his two sons, Wesley and D.J., grandson, Seth Hart, sister, Donna Bowman, husband Bernie, and niece, Michelle Nichols, husband Wendell, nephew, Brad Bowman, and Dennis's longtime companion, Jerrie Barabas.

Dennis will be sorely missed, and his memory will be cherished by all that knew and loved him.
