“ *Lucy,
It has been so good to find you and reconnect. I just wish I had done it a bit sooner. My favorite memories were about your cat, Dumbass pronounced Dumas and his trip in the clothes dryer. And playing pinoche all night at your home in Minot.*

“ *A dear friend who became family. Dennis loved life and lived it to the fullest. Once he touched your heart he remained there. There is no doubt he would want his family to move on with their lives, have no regrets. He was all about life and living it. Go*

“ *Dennis was the best Dad any girl could ask for. He could not wait to tell me a new joke he had heard that day. When I was younger and would want to move out and be on my own, he would sit me down and go through the expenses living on my own would include.*
