“ *Diane was a good friend and I will miss her dearly. We worked together for many years and the longer I knew her the closer we became. We would talk on the phone often, prayed together and I sent her encouraging prayers by text all the time. She and I talked often about our kids, the challenges of raising our children as single mothers. We were there for each other. Diane, I will miss you so much but I know we'll see each other again one day. Until then my friend*❤️
