“ Sending my condolences to Diane’s family. She was my mom’s best friend and we were heart broken when we heard that she had passed. Diane had been visiting my mom in the hospital the month before and I was amazed how concerned she was for her. Just shows that God does take the good ones and we have a Guardian Angel watching over us now.
In honor of Diane hug, take a photo, or tell those that you care for that you love them today.
