

Diana Zavala Davis

March 31, 1974 - January 14, 2023

Diana Zavala – Davis, 48, born in San Antonio, TX on March 31, 1974 left this world in Bangor, Maine on January 14th, 2023 a year after moving to her dream home in the small town of Sherman, Maine.

Diana was involved in her communities and went above and beyond in her time to make sure that anyone who was in struggle or need never went without. Confidant and mother to all, Diana always stole a place in the hearts of everyone she came across. Diana was passionate about music, cinema and dance which stemmed back to her early life as Captain of the Dance Team and as a dance instructor. During those times of life, Diana was active in charitable organizations such as Habitat for Humanity, Secret Santa's for underprivileged youth, Humane Societies and Homes for Heroes. Diana was always proud of her roots and her heritage and what those things meant to people of her culture. Diana was passionate about her work and the opportunities it provided to her community through her time at First Day Foundation (formerly BCFS), a non-profit organization. Diana was married for 31 years and is survived by her husband, Jimmy Davis, Sr., her only child, Jimmy Davis, Jr., her parents, Frank Zavala and Ofelia Saldivar, her sister, Frances Zavala and her countless nieces and nephews, including Leslie Zavala, Simon Waggoner, Lindsay Waggoner, Rene Davis.

Diana's final affirmation on this earth was the gift of life through organ donation. Through a selfless act of kindness, she was able to save 3 lives while giving her own to do so.

The rosary and vigil will begin at 9AM at Mission Park Funeral Chapels Cherry Ridge.

Funeral Procession to follow after the rosary and vigil where she will be laid to rest at her final adventure to Sunset Memorial Park & Funeral Home.

Diana, what can I say ? You were the first person who welcomed me to the Family with open arms, and what I loved about you was that you made sure your mama was happy and well taken care of. I made you a promise that I will always love ❤️ and take care of your mother. You are the sweetest individual that I have ever met ! No other like you, It was painful to see you leave us, I will always remember that Beautiful smile and "FAKE LAUGH" when we were joking 😊 I appreciate that Beautiful Portrait you made of me and your mom . Love you always 💕 Diana, until we meet again. Luis Esquivel

My dear sweet Aunt Diana..you were always more than just an aunt to me, you were also a big sister, my inspiration, my best friend, my second mom, my safespace, my rock, my everything. There was never a dull moment when you were around and the second you walked in anywhere, your energy would light up a room. Your smile was so contagious no matter what kind of mood I was in. When I needed you , you always knew exactly what to say and gave me words of wisdom and courage. You influenced me in so many postive ways and helped shape the type of person that I am today. The amount of amazing things I could say about you are endless and I'm very grateful and lucky that I got to share this life with someone as magical and beautiful as you.

I will love you now, always and forever my sweet Aunt D,

I Will see you again□□

"End? No, the journey doesn't end here. Death is just another path, one that we all must take. The grey rain-curtain of this world rolls back, and all turns to silver glass, and then you see it. White shores, and beyond, a far green country under a swift sunrise. " -Gandalf
