“ Joe, Jose, and Jennifer. My deepest, deepest condolences on the loss of your beloved DeDe. She will be truly missed by so many. She was an amazing friend. She would go out of her way for any one and every one. She was a true follower of Christ. Her passing has left a huge void in my heart. She never complained, always happy. I can still hear her left when I would call and she would say, "ay Terrie, what did you do now?" But she did so with no judgment. May she rest in eternal peace in the arms of our Lord. Now rejoicing in heaven with Grandma JJ, her dad and all the family who predeceased her. Love, Terrie Gallegos and family

“ My thoughts and prayers go out to your family. I first met De-De, while speaking legal advice from the law office of Robert Valdez. She was such a wonderful and caring person. We became fast friends and through the years, her advice and comfort was truly treasured. God has gained a true Angel and many Angels are laughing along with her infectious laughter. May God bless and carry you through this time of need. God bless.

“ Dede was such a blessing to know. I first met DeDe when I went to work for Southers & Lyons in 1972 where she was the receptionist. We became close friends and I have so many fond memories of spending time with her at her house with my kids when they were little. Even today, they still remember her and the fun we would have. How could anyone forget her with her infectious laughter, that smile and beautiful personality. Her parents were wonderful people and they showered my kids with love and always took them next door to their store where they gave them candy and treats. I will never ever forget her or those days we shared and working with her. She was the best friend I ever had and I will miss her so much. We shared birthdays that were four days apart--I will miss those birthday calls. Thank you for the memories. I know I will see you again in Heaven sweet DeDe. God bless Joe and your whole family and give them peace and comfort.

“ *Uncle Joe and family*

We are deeply saddened by Aunt De De's passing and want you to know how sorry we are for your loss. Please accept our heartfelt condolences. We take comfort in believing she is now in heaven, watching over us all.

I'll always cherish the memories of visiting with Joe and going down to the pier for some fishing and attending Fiesta when we were dating. Aunt De De had a remarkable way of making me feel so special and truly part of the family, even from the very start.

Her thoughtfulness and kindness were unmatched, and her vibrant energy and infectious laughter always brightened the room. She was such a beautiful soul, and her warmth will stay with us forever.

We're here for you, and we'll be at the wake and funeral to honor her memory. With all our love and support,

Maria, Joe, Austin and Grant

“ *Our Family is so saddened to hear of De De's passing. We have such wonderful and fond memories of a friendship started years ago where our children attended the same school and were on the same CYO teams. Though our lives grew in different directions as our children became adults , we have never forgotten the fun times together and the kindness De De always exuded. She always made you feel welcome and part of the family. To Joe, Jose, Jenny and your families we send our deepest condolences and sympathy. Our prayers will be with you for God's peace and comfort during this difficult time. Richard and Marla Rios*
