“ Our Dearest Diana, our hearts break dear sister-in-law; unexpected, unknown, unaware of the loss and time; if only I could have had time or time with you. Diana known to me as a courageous, fun loving and hard working woman; always working, and a loving caring mother to her son Michael; her pride and her joy. I thank God for all the family members who love Michael yours & mine whom he can depend on and rely on always and forever. Thank you for the loving care you gave to Michael & Fred. In all this sadness I take comfort in this fact that although life in the flesh ends, a new one begins in the eternal, yes rest but also work, work to do for Our Maker (God) I believe this, that Diana will work on helping us... the living... showing us and guiding us back to salvation.

"Jesus said unto her, I am the resurrection and the life; he that believeth in me, though he were dead, yet shall he live; and whosoever liveth and believeth in me shall never die. Believeth thou this?" John 11:25

*" When I die... I will be more alive then I have ever been.... the only thing that will change is my address."
The Late Evangelist Billy Graham*

We love you Michael, take comfort your mother will always be here with you, with us always; we love you Fred and the boys, love y'all

“ My profound condolences to the family on the loss of Diana. I only had the good fortune to meet Diana once but we had such a great time together that I hoped for the opportunity to share time with her again. I give thanks to God for the wonderful memory of all that she was to us that day. May she rest in peace in the loving arms of our Heavenly Father. Amen
