“ *Diana was so kind, thoughtful and sweet. I remember her smile and beautiful hair. She would drop her head in shyness and raise it with a gentle smile. She worked diligently. I'll see you on the other side, sweet lady.* ”

“ My sincere condolences to Adrian and the Perez Family. I am so saddened by Diana's passing. She meant the world to us. She not only gave us love and friendship but also a new family. Diana was dedicated one hundred percent to Adrian and her family. She was our role model. She was elegant, kind and the hardest worker I knew. I felt I was always welcomed at her home and she was a fantastic cook. At Christmas and the holidays she baked the most amazing cookies for those she loved. I know that when Diana reached Heaven that my parents embraced her and thanked her for taking care and loving their children. I will miss you so much. Love Tia Hippo.
