

## Diana Patricia Sonoff

April 20, 1943 - February 16, 2025

Diana Patricia Stuart Sonoff, 81, passed away while sleeping on February 16, 2025. She was born on April 20, 1943 in England. She lived briefly in Freeport, Bahamas as well as Indianapolis, Indiana. Worked several years as a Legal Secretary. She spent the majority of her retirement in San Antonio, Texas.

Diana was a descendent of the Royal House of Stuart- but rarely mentioned it. She loved horses and felines (cats of all sizes.) She was a runner, a dancer, loved attending concerts of all kinds, swimming in the ocean, playing checkers, and watching Jeopardy. She was humble and honest- courageous and kind. She never complained about the hardships she endured. She displayed a quiet strength and work ethic that inspired others. She was the kind of person that would give the shirt off of her back, if it helped another. What a privilege it was to know her bright spiritual light.

She is survived by her 2 daughters and their husbands, Carina Barnes (Jim) and Stefanie Semich (Chris). She has 2 surviving grandchildren- Megan and Izz. Diana's other 2 grandchildren, Matt and Charlie, welcome her home to the afterlife and will take care of her until we all meet again.

Diana is also survived by 2 sisters, Patricia and Valerie. As well as several nieces and nephews- Tarnia, Ruth Ann, G. Nabile, Quddus, and Lauren. Her sister, Jackie, preceded her in death, and also welcomes her back home.

There will be a private celebration of life service with immediate family attending.

Diana lived a full life- she had a spirit that never gave up. Rest now, Mom, and know that your memory lives on in those who miss you the most.
