“ *Diane was a Sister and friend to me for all these years. She was a rock to my Brother Bryant. This world lost an amazing woman, but we know her faithfulness and know that Jesus welcomed her home. She was inspiring in her fight against that horrible disease. Always staying steadfast in her faith and positivity. I loved her and she will be missed greatly! Rest gently in the arms of Jesus! No more pain, no more sorrow! My prayers will be for my Brother to find his footing without the love of his life by his side. Much love! Brenda Scrivner*
