“ *Billy and Todd... I was so saddened to just learn of DiAnn's passing. She was my dear friend since the 3rd grade. We were practically joined at the hip throughout our school years and the years after graduating. I have the fondest memories of DiAnn. She was a joy and a BFF.*

“ *DiAnn and I went to high school together and she was truly a lovely person even as a teenager. I picked her up every day to go to school in my little 1947 Ford. It was not heated nor did it have turn signals, so you had to do hand ones out the window as you drove. It would get cold and I would sit on one hand and drive with the other, then switch, and for Christmas, DiAnn scraped together some money and bought me a pair of gloves! I was very touched and grateful at her kind gesture, and she always was that kind of thoughtful, giving, sweet girl. She was amazingly talented at sewing, and made her cheerleader uniforms, a really cute dress for her little sister out of a pair of curtains and her beautiful wedding gown and all the bridesmaid's dresses. My deepest condolences to her family and everyone she touched with her kindness and happy spirit.*

This is how I will remember DiAnn. She loved red, and being a bit sassy. We had fun times in Beta Sigma Phi, she will be missed. Your sister Mary

“ I am so saddened by the passing of this lovely lady. I see that picture and that's exactly how I remember her--always with a smile on her face. I worked with your mom for about 15 years until she retired. We always had something to chitchat about, primarily about our families. Her mission on earth is done, and now God has her reaping the rewards of a life well-lived. Treasure your memories. God bless you all. Lislet Mejia

“ DiAnn was a dedicated, competent FBI employee. She could always be counted upon to get the mission done in a professional manner. We are better because she crossed our path.

“ Billy, Todd and Family, So sorry to hear about Your Mom passing away. She was one Great Lady and will be missed by so many. I worked with your Mom for most of her FBI career. She was one of the best we had working for us. Your Dad, Mom and I drove to San Diego for our retirement ordination in I believe was 2000 or 2001. We drove because Your Dad didn't want to fly and neither did I. We had a great trip and enjoyed our side trips on the way back. Your Mom finished a quilt that My Mom had started for My Daughter and My Daughter still has it. It was so nice of her to finish it for me. That was the way she was, doing things for others. I know she enjoyed our luncheons we had in San Antonio with all the many retirees. I'm sure you all have great memories and I Pray for you all during this time. Thank you for sharing her with the FBI Family and being part of our lives. God Bless you all!! Smoky Holland

“ I remember one mother's day she gave me a wall hanging sign that says when a daughter-in-law that becomes a friend. I will forever treasure her friendship, support and love. I was able to thank her for being the best mother-in-law a girl could have. I told her I learned from her and will carry on for my children.
On another note, I will forever remember Mexico cruise, Tequila and poker nights and lake house, wine time with girls.
