

Dianna Lorraine (Salinas) Peacock

June 25, 1949 - July 18, 2020

Dianna Lorraine (Salinas) Peacock entered fully in the presence of her Lord on July 18, 2020 in San Antonio, Texas. She was born on June 25, 1949 to Guillermo Salinas and JoEmma DeCamera Salinas. Dianna was survived by her beloved husband of 15 years, John Peacock; sons Fred Ghavidel, Steven (Veronica) Ghavidel, Robert (Lisa) Ghavidel, and Michael (Rachel) Hernandez; sister JoEmma (Chilo) Gutierrez, brother Guillermo Salinas; grandchildren Katlyn, Stephanie, Nathan, Noah, Aaron, and Sophia.

Dianna, or Mac, as her grandchildren fondly called her, served others as a registered nurse for 25 years. She was kind, compassionate and genuine. A fantastic cook, many of her specialty dishes were Persian from her experiences living in Iran when her boys were young. Definitely a dog person, she loved her pooches and often took one of her smaller dogs with her everywhere. She loved to play bingo, do arts and crafts, and we cannot forget the online shopping. Gifted with a great sense of humor, Mac loved spending time with family and could easily lose track of time at the family ranch enjoying the quiet and tending to the cattle. While she is no longer with us physically, her legacy lives on as good memories and love remain.

So many wonderful times My baby made the last 25 years the best of my life

“ *Dianna was the best mother-in-law a girl could ask for, and and even better Grandma. She loved her family so deeply and was so thoughtful and giving to everyone around her. The hole in our hearts is so very big and deep and we will miss her so profoundly. Thank you Dianna for being the person you were and raising such great men. We love you and have the most precious memories of you for the rest of our days.*

“ I’ve taken time to think what to say but I am at a lost for words.

My mom passed away as a victim to COVID. A virus that was proliferated by our own inactions and selfishness. Without which, my mom would still be sitting next to me.

My mother was the most important person in my life. She was always there for me no matter what I needed. She was the perfect role model and I can only try to continue to live my life in her footsteps. It is hard to conceptualize I won’t hear her voice, won’t be able to cry in her arms, or make her laugh. A part of my soul has been ripped from me and I am doing what I can to fill it with positive memories and thoughts.

I know that I need to be the person she was for me, to others. And I hope I can show the love she showed me. I will always miss her. I will never forget her. And I will live my life to honor her. I love you mom.

John,

I am the daughter of Deanie Wise. My husband Dan and I want to express how sorry we are for your loss. Dianna was such a kind and compassionate person. I remember when I was young spending time with her and enjoying every minute of it. I loved being around her. I am so sad that I didn't spend more time with her, our lives on earth are so precious and is not promised to anyone. I am searching for the words to hopefully provide some peace and comfort to you and your family. I do believe very strongly that she is watching down on everyone that she cared so deeply about and especially you, her children and her grandchildren who she loved dearly. I will pray for you and your family that you find the strength to make it through and find the peace and comfort during this very difficult time.

With Love, Dan & Kim Anderson

“ Mac has been there for every birthday, holiday, graduation and special event for the last 17 years I have known her. She has been there to answer every call and has even called me after every race to see see how it went. She has been there always! She became a second mom to me & treated me like a daughter, and she became one of my best friends. I will miss the movie nights, talks, hugs and time with her.

My favorite memory was when we were going to a pet expo just to “LOOK” right before Stephanie’s volleyball game - of course with a heart as huge as hers we left with a dog. I ended up stuck in the car the whole game watching her new puppy. After the game ended we slowly drove home and plotted what and how to tell John.....how we ended up with pet #5 (later to be known as Hallie the oversized Yorkie).

I can’t imagine life without her - she will forever be missed and always loved.

“ I knew Dianna through Deanie Wise her buddy cousin. We all played together from time to time, back in the day, in the back yards of Laredo, barefoot and fancy free. We all went to birthday parties and other events and shared laughter and fun. Dianna was always smiling that beautiful smile of hers. I remember those gorgeous eyes and the most amazing curly lashes. All of that was great, but to know Dianna, you had to know her kindness, her sweet and caring heart. I did not see Dianna for many years as I moved far away, but when we met again at a reunion some years ago, she still was that beautiful lady, but more special. She had her Husband and family that meant the world to her, a career that she loved, friends ,co-workers, her animals the ranch, and still, that beautiful, kind, caring heart. Dianna was a bright light to all who knew her. She is gone from us now, but she will always be remembered for the love and care she showed to everyone and everything.

“ *I just know Dianna through Judy and Jane. I enjoyed her company when she came to celebrate Judy's Birthday with our lunch group. I remember that Judy always talked about how much fun she had going with Dianna to "The Ranch". It just seemed like Judy had such a great time with Dianna.
I know that she will be missed by her family and by all who know her.*

“ I would not have met Dianna, if it weren't for Judy and Jane. Before the awful Covid 19, Jane, Judy, Joyce, Jan, and myself-Susie went to an early dinner on Sundays we laughed, told jokes, life experiences, and gripes. We solved the worlds problems. It was the best times ever. Dianna was one of the most interesting women I've ever met

I drank a beer on Saturday night TO SALUTE DIANNA SHE WILL BE MISSED♥♥♥♥ I'm very sad for her husband Johnny And his mom-in-law Judy🙏
