

## Dolores Burton

December 18, 1933 - January 14, 2025

Dolores Burton passed away peacefully in San Antonio, Texas on January 14th, 2025. She was born on December 18th, 1933 in Sevilla, Spain to Javier and Luisa Idigoras Ortiz, whom precede her in death. She is also preceded in death by her loving husband Jimmy Burton, and beautiful daughter Maria Burton. She is survived by her son, Frank Burton, his wife Sylvia, and grandchildren Marysol, Frank, Adam, and Luis.

Dolores was known as Loly to friends and family. She was a great wife, mother, friend and extended mother to many. She lived through WW2 and that shaped her good hearted nature in wanting to help others and always look towards the bright side of things. She had been a beautician from the young age of 12yrs old and continued to do so when she moved to the USA with her husband and later in life worked in a cafeteria serving the airmen and women on Lackland AFB and later became a caretaker for an elderly neighbor. She saw many things in her lifetime, but her greatest accomplishment and joy was her family. May she rest in peace.
