“ My condolences to Jessica and the family of Dolores. Thank Jessica for sharing your mom with the CCD students. She was so kind and had a big heart, donating to the Children’s ccd festival and volunteering her time, with her mom by her side. I always remember her laughing or making us laugh. Never a dull moment. Dolores spent many hours volunteering as a Catechist and assisting with mass rehearsals at St. James Catholic Church. She has always been a angel.

“ DOLO AKA SOUTHSIDE , missing you already. We met at USAA and both retired from USAA. We have many memories of us growing on SS San Antonio. We continued to meet for lunch with Elva and Mary for our birthdays and holidays. Several times we laughed so hard we thought we would get thrown out of the restaurant. You will always be in my Heart 💜 . Fly with the Angels no more pain. Love you forever 💜💜

Oh how I will miss you! I have known you for over fifty years. I met your mom first since she was a mama patrol, then I met Viola since she was going to Brack and I was going to Tech, we both went in the bus. Then I met you at USAA in the assigned Risk dept. Finding out we lived two blocks away. We had so much fun, we laughed, we cried together. I will miss our daily talks, our texting, and our lunches. Rest In Peace my friend.

My condolences to Jessica and the Deleon family. I was saddened to hear of Loly's passing. I can attest that Loly was kind, sweet and definitely the funniest person I had the pleasure of knowing. She was quick with the wit and she could find humor in just about anything. We will definitely miss her beautiful spirit. May she rest in peace.
