

Dolores E. Kirst

November 28, 1930 - July 20, 2020

We love you mom. She is the reason I am who I am. She taught Kathy and I right from wrong and showed me the power of true love. She introduced us to music, working hard, and most importantly treating others as you want to be treated. She made us the people we are. We will miss her dearly, she is in our hearts forever. She loved what she did in life and that was helping kids and seniors learn to bowl. She work up until now an 89 years old. She was a very healthy woman and was very proud of her good health. In fact, her last checkup in June she told us she was healthier than her doctor.

She is now with the lord and her parents and friends in Heaven

She is survived by: Her Son John L Kirst and his wife Ginger J Kirst

Her Daughter Kathyne A King

Grand Daughter Kristen Estrada and her husband Matt Estrada

And finally her Great Granddaughter Aleigha Rae Estrada.

In Lieu of Flowers the family would like donations to the Human Society of New Braunfels Area at 3353 Morningside Drive. You are welcome to logon to the website and donate.

Due to the COVID-19 pandemic and the CDC regulations all services will be private. Services at the funeral home will only be for the immediate family or by invitation only.

Missing you Debbie -----

Richard Edward Simonson - July 24, 2020 at 01:49 PM

I will miss you so much Debbie. You took care of us Senior bowlers and that was not always an easy task. Your boyfriends are going to miss you too but some of them will be waiting at the pearly gates with a smile on their face. You always asked how I was doing when you saw me and believe me, it meant a lot to me. So, until we meet again, I salute you Debbie. You did a lot for bowling, a lot for all the bowlers at Fiesta Bpwl.

I will always remember that smile, your laugh, and your greeting, "come here kiddo." You saw a talent in me that I didn't realize I had. You pushed me, because you believed in me and my ability. We had some great trips across the state to conventions and tournaments. I wouldn't be the person I am today without your influence and guidance. Thank you for all you did for me and the many juniors after me! I will miss you my friend. Rest, your mission was accomplished!

“ Connie and I are so sorry to hear of your passing. You were an awesome woman. You took my daughters, Christina and Michelle under your wing and taught them the game of bowling. You treated them as if they were your own and we appreciated that. We will miss the big smile and hug you always gave us whenever we saw you. May you rest in peace.

“ *Debbie,
Thank you for your ministry to the youth, senior and adult bowlers in the San Antonio and New Braunfels communities. May you rest in peace and provide your ministry to all of the Angels in Heaven. My thoughts and prayers are with your family during these troubled times. God bless.*

“ *Debbie Will be missed by all that she met. She truly loved her family and the game of bowling. When ever she had to come to San Antonio for something, she made a point of stopping by Oak Hills Lanes to visit with me. I've known the family for over 40 years and the memory that stands out the most is when I was a teenager. She would invite me over to her house for dinner and when we finished Debbie, her parents, Kathy, John and I would play cards. That was always fun.*

“ I will miss Debbie, as I'm sure many if not all of our Wednesday morning bowling 🏹 league will. She was our dedicated and sweet pillar of kindness every week. I will miss my wonderful SPURS update conversations! She loved our SPURS ❤️. She loved her family of which she spoke highly of. She loved her bowling and missed her personal game but truly loved being at Fiesta when she could to share the time with loved friends. Rest In Peace with our Lord, Debbie. You have my prayers often 🙏🙏🙏❤️❤️❤�

“ Deb, I only knew you for 10 years - you lived your life with love, grace, caring and joy. You told great stories of memories of John and Kathy growing up. They were your proudest accomplishment. You lived your life to its fullest in all your days. May the Lord shine his light on you and give you peace. AMEN

“ I will have the pleasure of having many wonderful memories of you Debbie. When my husband and I arrived in this area 6 years ago, you helped us get set up with all the wonderful doctors we have now. It has been a great pleasure working with you part time for all these years and you have always been a real sweetheart. We will really miss you Debbie. You are in a wonderful place now. Since you were born on our mom's birthday, please give her a hug and a kiss from us! You'll both share the love of bowling together. We'll miss you, Ms Debbie. God's Speed!
