“ *My deepest condolences to Dee's family. Dee and I were pen pals for the past year through Meals on Wheels. I enjoyed writing and talking to Dee. She was such an amazing lady with so many memories to share. I felt honored and privileged to have been her friend. She always brightened my day and made me laugh during our daily phone calls. I enjoyed hearing about her adventures to Vegas to play bingo or outings with her grandkids. Dee was one of a kind and I was lucky God placed her in my path. May you find peace after this difficult loss. Maria Schwab*
