“ I will miss my dear friend Dolores. We worked together at Morrill Elementary. I have so much admiration for her and our friendship. She loved her work, her students and especially her safety patrols. I consider Dolores a quiet warrior, always doing something good for someone else and never expecting anything in return. She was amazingly talented and creative. She loved her family and was so proud of her sons. Her new grandbaby brought her so much joy. Keeping her family in loving prayers, Linda Aleman.

“ Hope Sanchez shares this with you,

*There is a door that never closes,  
Though it opens, but one way,  
It's the door that leads to heaven,  
At the end of life's long day.  
It's the threshold of forever,  
It's the door of peace and healing,  
Where the angels come and call your name,  
And take you home to heaven.  
When the gates of heaven opened,  
and I saw Him standing there,  
He took my hand, and called my name,  
And said it's time to take you home.  
I turned my back and left you all,  
I could not stay another day.  
So please don't cry anymore, I am home with our Lord.  
Look up at the stars, and you will see me.  
Give me your smile, so that I can rest.  
Think of all the good years we shared together,  
Look for me in a flower, in a soft breeze of air,  
In what is love, in every beat of your heart,  
And I will be there.  
If my parting has left a void, fill it with remembered joy,  
Be not burdened with times of sorrow.  
I wish you the sunshine of tomorrow, don't lengthen it,  
Now with undue grief.  
Lift up your hearts, and share it with me,  
God wanted me now, He set me free.  
I love you, all my family.*
