

Dominic Anthony Marrocco

October 1, 1940 - April 23, 2016

Death is not the end of life's journey for those whose faith is in the Lord Jesus Christ. Trusting and believing in God's living Word assures us that "To be absent from the body, is to be present with the Lord." 11 Corinthians 5:8. On April 23, 2016, Dominic went to be with his Lord and Savior surrounded by his wife, children and grandchildren. Dom was born October 1, 1940. He was born to Anthony and Dora Marrocco in Camden, NJ. He is survived by his wife Loni Marrocco, her children and grandchildren, his son Edmond Marrocco and Dom's loving and devoted family in Medford, New Jersey. Sincere gratitude to their unending and constant attention to Dom during his diagnoses of cancer, chemo and major surgery. I am also grateful to my children who never left his or my side during his time of illness and uncertainty. This meant so much to Dom and brought him closer to believing that despite his illness, there was a God that loved and cared for him. Dom was always sharing his favorite childhood memories about his sister Crosetta and brother Anthony with a lot of joy and passion. He lived a happy and fulfilled life during his years of retirement. He and Loni enjoyed gardening, daily walks, Bible studies and visiting grandchildren. Dom enlisted in the Army in 1961 and was stationed at Brook Army Burn Center in Texas. He attended St Joseph University, graduating Cum Laude with a Bachelor's of Science degree and a minor in Theology. His entire career was in the pharmaceutical industry as a Bio-Chemist with Wyeth, Sterling and Lederle.

Dom also attended Kingdom Life Institute where he studied the New

Testament and The Person of the Holy Spirit.

A Memorial Service to honor and celebrate Dom's Life will be held at Faith Outreach Center International at 3806 Sunshine Ranch Rd. 78228, on May 7, 2016 at 11:30 a.m.
