“ Ohhh tia 😭😭😭😭 How I'm going to hate not Being able to see you again!!!! I must not be selfish but it's tough !😭😭 I never wanted to have this happen to you , We did way to much together , we cut tree limbs, cut all the grass we could , planted all we wanted when we could , enjoyed our talks Most Evening and ate when we had the chance . I'm gonna miss our conversations about life and the ways we should enjoy it!!!! Tomorrow is going to be the hardest day of my life . I've lost you 😭😭😭😭

“ When I see this pic of my tia Tila I remember that smile everytime we drove in from Corpus Christi. The loving hugs she always gave and love she expressed for us all. She was one of our back bones to this family and will greatly be missed. The laughs, the smiles and the positive words of Inspiration will forever be remembered. To my family in SA we love you'll and know you'll are not alone. Even though we are at a distance, we are always a phone call or a visit away. WE love you'll very much and my prayers for comfort always for all of you'll.

“ I will miss my Tia Tila. I have so many memories visiting our family in SA. From birthdays, to family gatherings and holidays and even hurricanes. There are no words that can describe the sadness I feel. To my cousin's, Fernando and Family, List and family and mi Tias Dora, Rachel and Tio Felix. I send you all my love. Unfortunately being exposed to COVID and in quarantine I can not be there in person because you all know I would. But I'm there in spirit. I will pray for you all and my beautiful Tia Tila. I will miss her smile, her sense of humor but she's home now with all our ancestors and family and God. I will miss dearly. Love you mi familia.
