“ I'm a bit early, I know, but I was known to be prompt. I was just out of high school in the early 70's when I began work at the 'ol RBG, and up until I hung up my employee badge in the 1980's, you were the consummate and respectful gentleman and co-worker. So many memories of you and with you my friend as I was growing up in the RBG hospital system. Not sure where your soul is now, my friend, but I hope you're dancing and singing! Love, Toni Pereida-Araiza

“ I attended Edison High School with Don and was a sophomore when he was a senior. I was in Pep Squad and he was in band. We had lockers next to each other. He used to decorate my locker and we had many conversations at my locker. One day, he told me he was designating me an honorary soul sister. Loved his friendship and was always hoping I would see him or hear what he was doing so I could look him up. May he Rest In Peace and may perpetual light shine upon him. Amen. Kathy Agold Ciomperlik

“ I had the pleasure of working with Donnie for many years & learned a lot from him too. He had a file cabinet in the cast room that had something for everyone. In one drawer he had all kinds of chocolate candies, another had lollipops, gum, sweet tarts & more candies and then another had baby powder, body lotion, band-aids, Tylenol, Midol, throat lozenges. When I asked why, he said I need to take care of you all. Even though he was sick he was always thinking & doing for others. He is greatly missed. My condolences to Rose & Don's family.
