“ Uncle Don was always a warm and friendly presence throughout my life, even if we did not see each other very often. I will never forget the time I was in San Antonio for work and also visited him and Aunt Sally. He took me on a little tour of the base to look at the planes, and I think we also watched the movie "Pearl Harbor", lol. Hard to believe that was almost 25 years ago!

I know we'll meet on that yonder shore, but until then, I send all my love to Aunt Sally, Susan, and every person touched by his life. He will be greatly missed.
