“ I remember (Mr.)Don Crook! It was at Five Palms elementary school only for 6th grade when my dad retired from the AF and we moved to the area. I remember him, seeming to be everywhere I turned inside the building and outside too during recess. Tall and thin, with great posture and seemed to know everyone’s name. May God rest his soul, and continue to richly bless his family at this late date and generations to come. - Teresa Musgrove
