“ We will never forget how Yolanda Bos chose to not inform your only living child and blood related grandchildren and great grandchildren of your illness and death, how she kept us from saying goodbye. May God have mercy on her... You live in our memories and hearts Dad. See you on the other side.

“ Don was a good friend and neighbor with a great sence of humor,he always offered to help if he though you needed it. Quick with an offer for something to drink or eat, Don was always generous. He loved to tell his stories about the days he spent driving for Mobil and Trailways. Donald loved, and was loved back by his family, and will be missed by many, me especially. Thank you For The Memories.
Rest in peace
Your friend, John
