“ No one could ask for a more wonderful father-in-law. No task was too great, he was always there to lend a helping hand for family or friend. He loved life and always got the most out of it. Don, you'll be greatly missed.

“ My Uncle Don was always such a happy person. He never got mad and gave me little lessons in life that I didn't understand until I was an adult on my own. I will always remember the twinkle in his eye that said 'get ready you never what will happen next'
