

Donald Gene Simon

July 27, 1960 - November 21, 2021

Donald Gene Simon age 61 of San Antonio, Texas went to Heaven surrounded by his family on Sunday, November 21, 2021. Donald Simon's most endearing quality was his undying love and devotion to his family. His want and ability to make everyone smile was shown in every single interaction he had with everyone he met. This absolute strength was also carried over to his need to always try to help anyone that crossed his path and his need to give advice to anyone, whether they wanted it or not. His spirit was pure, beautiful and joyful just like his personality. Donald's love for his family was also shown in his love for adventures and travelling with them. Donald leaves behind a wife, Carol Martinez Simon. A Daughter, Carolyn Dawn Simon. A son-in-law, Michael Stephens. He is preceded by his parents, Leo and Gladys Simon. Donald has many brothers and sisters through blood and marriage including his sister, Rosemary Simon Juarez, his brothers, Leo, Paul and Bobby Simon, sisters in law, Irene Martinez Ramirez, Sylvia Martinez Sarro and Rosalie Martinez Arias and his brothers-in-law John Ramirez and Henry Arias.

“ Rest in Heaven Donald. I'll think about you saying, "Hey Buddy-yyy". I'll think about you asking, "When are we going to Hawaii together?"

I'll think about you trying to get me to talk to your financial or insurance person.

Donald Simon, always talking, with a smile.

“ I have known Donald all my life. His father grew up with my mother. His Dad was also in the military with my father. His mother Gladys played bunco with my mother for many years. His parents were great friends of my parents. His older brother, Leo Paul, grew up with my sister all through school. I had the pleasure of knowing Donald the same way. We knew Bobby as well as a special character who always made us laugh in high school. My family is sadden to know that only his sister Rosemary remains. God Bless you Carol and Carolyn. I know you loved him and will truly miss him. May he rest in peace.
