

Donald J. Williams

July 30, 1930 - August 27, 2022

Donald J. Williams was born on July 30, 1930, in San Antonio, Texas, to parents W. H. Williams and Adella Williams. He was called to be with the Lord on August 27, 2022, at the age of 92, with his daughter by his side. He was predeceased by his parents, two brothers, as well as his first wife, Joyce and second wife, Patricia.

He is survived by his daughter, Sandy and an adopted daughter, Connie, along with numerous nephews and nieces.

“Donnie” as he was known by most, was an avid fisherman and hunter. He loved spending his time “off” enjoying the water, a deer blind and a field waiting for birds to fly over.

Despite a very challenging youth, he overcame the difficulties and became a prominent and well-respected man in the world of Commercial Construction. He spent over 40 years supervising multimillion dollar high rise buildings, most of which were for Bartlett Cocke Construction.

After his retirement from the construction industry, he began buying, repairing, repainting and selling cars and trucks. He continued with this for many years while of course, getting in a few fishing trips along the way.

He never truly retired, always staying busy, until his health deteriorated, and he lost his eyesight.

I would like to thank the staff of M.A. Assisted Living for the care and attention he received during his stay. He was treated with kindness, care and at times even “spoiled”, which he loved.

In lieu of flowers, please consider making a donation in his name to:
