“ Donna love live live to the fullest she loved to lough. I remember years back say about 16 years ago after her friend Jerry passed and she was Lonley dit not want to be by her self, I go to her house to keep her company or eat dinner with her , "Donna dit not like to eat by her self", and I knew she would eat if I go with her to eat or we fixed it at home. We always lought and joked and Donna was happy again. It ended up me spending a night 2 night and there it was a week. So Mom and i had moved in With her and we all really had good times. Donna Loved going to the Base with my Mom she loved when Mom got all exited. We got really close ,so she became my Sister and my best Friend. Donna was a beautyfull person a great friend and always there to help. We have had alot of good times and some bad times but I want to remember only the good.
I love you Donna M Hickey you will be always in my heard. Heidi Robbins
