“ *Donna I will miss you. I will always remember talking with you and seeing you at work. Will never forget the car incident when you were working. Talking football, you being a Colts fan and me a Titans fan. Whenever I think of you, I will smile. My thoughts and prayers are with your family and friends. Love you D Madness!*

“ Lisa, no words will be able to say how sorry I am that this has happened to you. Donna's heart broke and now you are heartbroken. But have peace knowing her dad has her in his arms and taking care of her once again.
