“ *Dear Walter,*

Please accept Emil's and my deepest sympathy in the loss of your wonderful wife Donna. I just now read about her passing, in the lovely newspaper article.

Though we were neighbors for only a fairly short time, I will always remember her vivacious, warm, and always upbeat and stylish personality, even when she had cancer. We were delighted to run into you both at The Playhouse some time ago, and I had hoped it would happen again, but not to be.

If our son's family weren't arriving soon for a weekend visit, we would have attended the services tomorrow. Again, you and your family have our heartfelt sympathy.

*Very Truly Yours,
Liz Swize*

“ One of the brightest stars in my sky has suddenly faded into good memories. My Auntie Donna was a very special lady, always giving of herself in so many ways to so many people. We enjoyed a very loving and close connection ever since I can remember, and I am so thankful that we had the opportunity to share our feelings together on the day before she passed. Although she will be sorely missed, I know that this true believer is now at peace in Heaven. Note that I did not use the word "rest", as she never knew how to do that very well. My Auntie was quite the dynamo, right up to the end of this part of her journey, and I'm sure right into the next. I pray for God's peace and comfort to our family and her many friends.

“ Walter,
Donna was my Diva Sister and she leaves me so many fond memories. I remember her smile when each time we saw each other, what we saw and loved about each other. Their were moments of talking, laughing and sometimes Silly things that some may not thought of being so funny, but we did. There were life time talks about the children, fashion and shows that we did, the trips taken for a week and just holding hands. We did so much more and we shared what we did. This is not good by to my sister but always just the "Love in my heart" where it will always be. Not just a sad feeling but just so much pride and Love that I still have
My Sister Donna, God is Good and I know He has taken you on to Heaven. I thank Him for all the things that we did together, so many, many things that we did. As you would say, my Sister, I love you.
Penny
To the Family, I pray that God will comfort you during this time and if you if I can do anything to help or if you need anything at any time, I'm here. Much Love

“ *Donna, you brought so much to everyone that knew you and even to those that wanted to know you. You made everyone look to see what you were wearing and you made every outfit look fabulous. You were awesome. You gave so much to education and was always available to be a guest speaker or host an event. Your beautiful smile and personality will be with us forever. Much love and prayers to Walter and family.*

“ Donna was one beautiful lady - both inside and out. Although we graduated from the same high school class and eventually ended up in the same city far from our Alma Mater, we never really got to know each other until we started attending our Class Reunions. She was very vibrant and always had a smile and a good word for everyone. She will be missed by her many friends. My condolences to Walter and the family.
