

Donothan Scott Allen

October 30, 1967 - December 12, 2018

Donothan Scott Allen was born on October 30, 1967 in San Antonio, Texas and went to be with the Lord on December 12, 2018. He is survived by his father, Odell Allen; two brother, one sister and numerous other loving family members and friends. Scott was known best for his generosity, kindness and compassion both towards people and any other living thing. Scott's big heart was always seen helping a friend, being a friend, and even adopting the stray dog near his employer's building. He always had room for more. Scott was gifted and interested at an early age in electronics and technology, serving behind the scenes as a sound engineer, programming on his early Atari computer, and earning a college degree in computer networking. He became a network administrator and served in that capacity for about 30 years for defense, financial and nonprofit organizations. Scott's generosity and compassion continue to inspire all who were touched by his life." A memorial service will be held at 7:00 PM on Friday, December 28, 2018 at Omega Church, 3737 Roosevelt Ave. San Antonio, TX 78214.

“ I just found out this is the Scott I was looking for. I'm saddened and very heartbroken. I have known Scott for almost 10 years. I lost contact with him for a while. And he was on my mind lately so I wanted to find him and see how he was doing only to find out this. Scott was such a wonderful man. Him and I would talk for hours and he would always be there when I needed him. I have the pictures of the beautiful flowers he would send me to cheer me up or just because. He had such a big loving heart. Very caring for my children and I. He was such an amazing man. I'm going to truly miss this wonderful man RIP Scott love you dearly 😭

“ Scott was always a giver if himself, he listened and remembered details, as well as followed up on things, he was caring, humble, just an all around great guy!

“ *Scottie was very special to me. His love, understanding and compassion, shined through from the moment we met in 1988 and throughout all the years I've known him. His smile and beautiful personality was always a light in my life and in my families lives as well. I will never forget him and he will remain in my heart for the rest of my days. My thoughts and prayers are with Pastor Odell and the Allen family and with the Fesslers.....*
