“ I am sorry to have lost touch with Dora after I left ECI as I just found out that she passed last month. Sincere condolences to the entire family; she spoke of you all to share family time and milestones. Condolences to her office mates, her coworkers and her families; everyone loved her and we just wanted to help her where we could. Dora was just a kind and positive person and I was glad to have memories of us laughing about everything and nothing. I loved sharing cases of kiddos with her and even tried to overlap out time so we could run into each other. Sending big hugs to her kids. Dora, thanks for all the times we shared and go meet my Mom; you would both hit it off beautifully until we are all reunited. Abrazos Dora: te extrañaré. - Maribel Martínez Tamez

“ It was such a pleasure to have meet her and her family! I had the privilege of getting to know the Clevenger’s with their sons being in Boy Scouts with mine. I will always remember how sweet and kind of a person she was! May she Rest In Peace and may the good lord provide strength, encouragement and peace to her Danny and the boys!

“ I am so grateful she followed me home from school when I got to Southwest Texas State University. I am so lucky that she chose me to be her friend, roommate, Maid of Honor, Comadre, etc. It was all such an amazing ride! I'll miss you, Dora, until we see each other again just like we promised.
