“ *My Beautiful Mother, words could not describe the amazing mom you were. You were always there to listen and guide me, my shoulder to cry on. My best friend, my shopping partner, my whole entire world. The only person I can talk to for hours on the phone and never run out of things to say. You may be gone but I promise you you will never be forgotten. My beautiful Angel watching over us until we meet again mommy..*

“ *I'm grateful that I had such a strong, beautiful, and loving woman to have in my life. She will always be in my memories and in my heart. She was one of the few people that could put a smile on my face when I was feeling down. I'm still in disbelief that she is gone but I'm happy knowing she is in a better place.*
