“ Dear Guenther family, we express our sincere condolences on the passing of Kitty. Our family loved her very much, especially our mother, Celia Guerra. She was strong, vibrant, and she would always make us laugh when we would come visit her over the years. We miss her and may she rest in peace. She is now with our heavenly father. Sending love and blessings to your family- Sandra, Carol, Laura, and the Guerra family.

“ *From the first time I meet Kitty, we had a ball laughing and eating and complaining that her son Alex was taking too long making our tacos. She taught me how to make her spanish rice and I made her homemade candy and some very special brownies! I loved Kitty like she was my very own grandma*  
*We talked about a lot and had a really good time. I will miss her so much. Love you Kitty and thank you for the laughs, good food and wonderful advice!*
