July 23, 1941 - December 23, 2020

She is preceded in death by her first husband, Robert H. Lynn; her late husband, John Colman; parents, James Henry and Vada Lee Hicks; and brothers, Darryl Hicks, John "JB" Hicks and Travis Hicks. Doris is survived by her loving children, Troy Lynn, Mark Lynn (Lori), Judy Wigginton (Paul) and Ira Lynn (Paula); siblings, Callie Grissom, Gracie Nixon, Dale Hicks (Ellen), J.C. Hicks (Marilou) and Gary Hicks (Cynthia); 11 grandchildren, Amber, James, Christina, Lyn, Todd, Patrick, Jamie, Michael, Maegan, Robert and Courtney; 11 great-grandchildren, Patrick, Danielle, Alexis, Brylie, Jackson, Waylon, Justin, Autumn, Peyton, James and Samuel, and numerous nieces, nephews, cousins and a host of friends.

Doris, Jo, Momma, Sis, Nanny, and friend; she was a woman with many names because she wore many hats. One of which she was very fond was Mrs. Clause. She and John "Pop", loved visiting shelters, hospitals, and Community events, donating their time and showing God's love dressed up as Santa & Mrs. Claus. They were married 17 years before he passed and had a great love story. She was number five, in her family of nine siblings, and was a beloved sister. Her dedication to her siblings defined loyalty. On many occasions, it didn't matter what was going on in her life, when she received a call for help, she would drop everything to be there for them. Family was the most important thing to her. She loved her four children with the same

intensity. Her generosity and kindness did not stop there, she often made time to “drop in” to see her grandchildren. You could be sure those surprise visits were lots of fun! She enjoyed quilting, and had a mission to make one for everyone. She loved to talk and share stories, she had so many to tell. Nanny loved traveling and being with others, she didn’t know a stranger. Adored and loved by all who knew her, a true treasure.

“ *My Texas MOM. She became a mom to me that I didn't have here in Texas. She helped me so much and loved me as one of her own. I missed her so much when she moved back to San Antonio but I knew that it was what she needed to do and I couldn't be selfish but did really miss her. She is with Santa again.*
