“ I always loved this wonderful woman who always made me feel welcome in her home. Her way of teasing was hilarious. Always teased me about being short and then even after I bought cowboy boots. Judy and Van were great cousins.

“ There is not a part of my life that does include my large family of aunts and uncles from the Belzung family. A very large number of my memories include Saturday's and Sunday's at the Pinner's house. All parts of family's packing into the Pinner house for amazing food and fellowship for birthdays, anniversaries, showers or no specific reason. We were always welcome to stop by for a visit, the coffee and ice tea always on tap for the visitors. My Aunt Doris, her family and sisters were ready at the door to welcome you in for a fun conversation. I consider myself so grateful to have those memories and all the time spent with family and my Aunt Doris. She will be deeply missed and I am sure Uncle Van is happy to have her home. With Prayers, Carol Tolbert Lawrence and Family

“ *My memories of Aunt Doris go back to my own memories of early childhood, and many wonderful times spent in her presence. Her personality has always been my own Gold Standard for a friendly, warm, caring Christian woman that we needed to set the example for living our lives. We all loved Aunt Doris.*

*I also remember fondly the meals she prepared for us in her home (especially the roast beef) and the many peaceful, happy times we spent around the table with the family.*

*I know Aunt Doris is with Uncle Van and the family in Heaven looking down on us. Even though I am grieving with her passing, I know I will see her again some day, so I am comforted in that for now.*
