“ *Doris had one of the kindest hearts and warmest spirits of anyone I've ever had the privilege of meeting. Though we became family by marriage, she always welcomed us and treated us as her own with a natural generosity that I will never forget. I know she brightened the lives of all those she touched and her absence will be felt. Rest easy, Doris. You will be missed.*

“ *She was my loving GM, she showed me faith, love, and kindness through all her actions. I remember playing games like dominos and skipbo with her. Her spoiling us with ice cream after the pool in the summertime. I will cherish our relationship forever and miss her so much. I will miss the weekly and daily there near the end calls and FaceTime. I will miss everything but will go on like you wanted with my memories in my heart and keeping my faith strong. Rest In Peace GM. Love you so much, Adriane Ferraro*
