“ *To the family of Dodie,*

We are truly saddened by the news.

Dodie and my mom were in Mother Singer's together many moons ago.. That is when I was fortunate to meet her and I can remember all the pictures of those lovely ladies in the green dresses.

“*There is no doubt that Dode's wonderful voice will be amping up the heavenly choirs. Missed our phone chats but cherish the many memories since we were 13 years old. Too numerous to mention as the saying goes.*
