“ *Condolences to the family. She was a woman of faith who was an awesome Christian example. She helped in the food pantry and on the food service ministry and was always available to help out. I enjoyed having her in Sunday School and she will be missed. ❤️*

“ *I never got to meet Dorothy in person(that I can remember). She was my Grandmother's niece and my dads cousin(so , by default, my cousin as well.) I started researching my Family tree about a year and a half ago and to my surprise, Dorothy was recommended as the go to person in any thing related to the Briggs family. I wrote her several e-mails (which, I printed out and mailed to her) and she responded to each one with loads of information about our family in very neat handwriting. I'll always hold these letters dear to my heart. I was saddened by the loss of Dorothy and the fact that her knowledge and friendship is now lost to me and my family. I wish I had found her years ago.
Rest In Peace, Dorothy. You'll be missed.*

“*Condolences to family. She was here on earth an angel from heaven. I am sorry to not be able to see her again working together in the church food pantry. She loved my potato salad so I'll think of her whenever I do make it. We know she's with the Lord and will no longer have to suffer this world. We love you sweet Dorothy! ❤️.*
