“ Thank you, Mrs. Olson, very much for raising my sister's son Adam Olson. Without you guiding him and loving him, he would not have accomplished all the things he has. Due to his mother's severe physical and sexual abuse, she suffered from mental illness, she was not able to raise her son. Since I was 9 I looked after my sister. I started working for Bezar County MHMR for 31 years, they assisted me with my sisters illness. My sister passed in 2016. You and Adam's father always made sure Adam stayed in touch with his mother. He would bring his guitar and sing to her. Your frequent letters to my sister and me to let her know how Adam was doing, I know your in heaven you can see this note to you. Im keeping a eye on Adam the last letter you sent me you wrote he would need me to keep an eye on him and let him know I would always be there for him. I do keep in close retouch with him. God bless you for your loving caring heart. Rest in peace i love you
