“ *I had the privilege to know Dustin most of my life. In Dustin, God gave us a talented, soft hearted, extremely funny, and loving guy. Dustin could make you laugh at yourself in a blink. One day, Dana and I were sitting outside talking and a walking stick crawled in my hair. I think I had a perm sooo..1991?? Instead of helping me Dustin and Dana ran from me screaming as I chased them around the house to help me "GET IT OUT!" I have so many memories of Dudley that is just one of my favorites. He was a loving brother and son who had an amazing family to share that love with. I pray most that they know God takes the Great ones young. And Dustin was Great!*

“*Dustin was one of my oldest classmates—I actually can't remember not knowing him. He was an amazing artist who had a great sense of humor, but he was also had a genuinely kind heart. I had not talked to him in years, but I am so very sorry to hear about his passing. He was a special person that I will remember fondly.*”

“ So many memories come to mind growing up. You were my best bud who lived down the street. I remember you calling me your shadow one day. You said I was always there but so quiet you would have to look to see if I was there. We spent many afternoons after school playing video games and hanging out at your house. You always had my back and looked out for me and all your friends. You made us all laugh, and we will never forget you. I will miss you dearly my old friend.
