“ Kelly,

I'm so sorry to hear about your loss of your son my condolence are with you and your family. I hope this prayer gives you a little bit of comfort for you and your family.

Dear Lord,

I come to you now for my friend who is hurting. I ask you to give her strength and comfort in this time of deep need. Her pain and grief run deep. My heart breaks for her, but I can only imagine how difficult this time is for her. I pray that you help her maintain her faith during this difficult time, so that she can depend on you.

Lord, you can be her strongest shoulder and biggest provider. At this time when daily life can be so burdensome, please give her patience as she works through her grief.

Surround her and her family with understanding so that they can work through all the emotions this loss has stirred up. In times when life is chaotic to manage--when bills need to be paid, homework needs to be done--let your grace sustain her through day to day life.

And Lord, permit me to be a comfort to my friend. Help me to give her what she needs during this time. Let me have comforting words to share, kindness in my heart, and patience to allow grief to take its course.

Let me shine your light and impart your comfort during this time.

I pray all these things in Jesus' holy name.

Amen

“ *Dustin was a very bright and kindhearted individual. He will be truly missed. My condolences to everyone for the loss of such a great and wonderful person. The next time I hook up my DJ equipment, I will be playing music by ILLENIUM in his honor as he asked to go to that show with me. I regret I was never able to hang out with Dustin and DJ together. I believe he is at peace and I will never forget him.*
