“ *Dzan was a friend and former co- worker. We met in 1976 when I started to work on LAfB which at that time was "National Bank of Commerce " which after several name changes is now "Bank of America" Dzan will always be remembered for her great memory for people names, account numbers and her happy disposition. She was a very kind and giving person as a friend and co-worker. She was a good wife, mother, grandmother and relative to all. She will be greatly missed.*

*Heartfelt condolences and sympathy to her family and friends,
