“ *Eddie was more than just an acquaintance , he was our friend. Although distance and time took us in different directions our bonds were always reinforced by the simplest hug or handshake. He always made us welcome no matter how long time had lapsed. Although God's will and His ways are beyond one's understanding, we have faith and trust in Him that Eddie is at peace. While your hearts are broken and nothing seems the same, your family will find consolation that Eddie left you sure in your love for him and his love for you. Now you've added another beautiful angel to watch over you. Our most deepest condolences and prayers are with you and yours.*

“ *My dad was a good man and father. He had a profitable business as a painting contractor. He was always there to help us with all our painting needs. I remember all our camping trips he took us on, vacation to Disneyworld, Six Flags in Dallas and we saw every Western movie at the drive in. My dad loved to have fun! He enjoyed life to the fullest. He loved his children very much and we loved him even more. I will miss him the rest of my life until I see him again in heaven. I love you Dad!!*
