“ I had the honor of knowing and having Edna as a friend for many years. We spent years watching our kids grow and sharing our lives with each other. She was proud of her children and adored her grandchildren. She spoke of them dearly. She was a loving daughter and a great mom. She was also a true friend. She was caring, giving and understanding. She now looks down upon us and I know she will continue to pray for those that meant so much to her. I will miss her dearly.

“ Edna was family to us, We met her about 24 years ago when Michele and our son started dating. She spend many weekends and holidays with us along with our kids and grandchildren. Through the years we went shopping, out to eat, visiting or sharing special occasions and even sad times. She even vacationed with us to Disney World with our kids and grand kids. She will be dearly missed but we have the comfort of knowing she is free of pain and suffering. Michele, we are here for you and our grand kids. Jason, we will watch over them. Love,  
Rachel & Joe

“ Edna was our neighbor for several years. My, how we all loved her and her family. I was shocked when Randy called me to tell me of Edna's passing. She will be missed by all who knew and loved her. Our prayers go to her family. Joe sparks

“ Edna and her family were our neighbors back in 1975. After Dianne and I got married and moved across the street from my parents and Edna/family, she would watch my oldest, Joseph, and she was his "Nana." She loved him very much and took great joy in teaching him little Spanish phrases like "Panza!" We still use that word with Joseph. She and the kids were a wonderful family. Once we and they all moved away, Dianne got the opportunity to visit...we always thought there would be more time to visit more. It's a shame there wasn't. She is already missed! Randy Sparks

Thank you Randy. My mom was always fond of all of you. She thought of the boys often & your Joseph gave her the name "Nana" it has stuck with her throughout the years. Now all her grandkids call her "Nana". ~Michele

“ My name is Martha Paiz, I met Edna this year at the dialysis center where my husband is a patient. Edna and I connected right away. We talked like we knew each other for a long time. We laughed and joked. The last time I saw her we hugged so hard. Like if we knew it was the last time we were going to see each other. We talked about she was going to the church festival to eat gortitas. I will miss her dearly. But I'm so glad I had the opportunity to meet this wonderful lady. We will meet again my friend. My condolences to the family.

*Edna was such a sweet loving person, and her beautiful smile. She is my nephew Joey's mother-in-law. It was a delight to know her and now is resting in peace in heaven and suffers no more. Sincere condolences to all the family, God's Blessing!*

*I loved talking to you at the rosary service and hearing your fond memories of my mom, Mrs. Paiz. She disliked dialysis but loved her dialysis family very much. She would often speak to me of everyone there. Thank you for loving my mom.*

*“Edna was a good friend of mine for many years. I first met her when my son Raul and her son Jason played football with Columbia little league. We had such good times together. And after the games ended we still hung out. She was so out going and full of life. There was nothing that she could not do she was very strong willed and there was nothing she could not do. She raised her two children very well and she was very proud of them. I will truly miss her and our talks and how she used to make me laugh. May you rest in peace. I love you. Until we get together again.*

**Yolanda Tenorio** - October 15, 2017 at 02:20 AM

*She never forgot you Yolanda. She loved those times in her life that she spent with her Columbia family. Thank you for coming out and supporting us at the funeral home.*
