“ *It's so surreal that I'm actually writing on the tribute wall in your obituary. How can I share one memory for a lifetime of memories? You were one of the strongest, stubborn =D, self driven, loving woman I have known. Thank you for being the best neighbor, 2nd mother for the last 30 year's. You will remain in my heart all the day's of my life. I look forward to the day we meet again. This isn't goodbye but see you later. Love you & miss you dearly, Letty V.*

“ My dear Mrs Willis, you were in my life since I was 4 yrs old. You were the best chosen grandma a little girl could of ever had. As a little girl I went over almost every day just for a snack sometimes even dinner, we'd play board games and if it were a pretty day out we'd just sit on the porch and try to make out pictures in the clouds. You are part of some of my best childhood memories I have. I will forever miss you and sitting out on the porch just talking and watching the cars go by. Everytime I think of being a kid I'll think of you and Mr.Wilis. I love yall more than you'll ever know. I hope you knew what a wonderful person you were to me. I know you're resting now and that brings such piece to my heart.

Love,
your favorite neighbor Erica Montemayor.

“ Mrs. Willis you were the best neighbor. Your humor and stories were like no other lol. I'll always remember making bbq in the backyard and seeing your door open waiting for me to bring you a plate bc I said I would. You will be greatly missed. My thoughts are with you and your family.
