“ Thank you Lalo!! Dad/father/provider, we will miss you and so grateful for everything you have done for me and your grandson. You have been an example for me and my son and taught me so much to work and love my wife and always making sure I had Gas in my car because you would always remind me to never leave my wife stranded. My wife would always threaten me if I left the car low in gas that she was going to tell you so you can get after me... lol 😂. Again thank you so much we love you and miss you!! Tell my wife I love her and we miss her too. ❤️❤️

“ Our condolences to the Rodriguez Family, our heart is with you during this time.  
Lalo you will be missed. You were the definition of hard work & commitment. I will miss you passing by my house early in the morning, giving a loud honk as you passed by to go for your walk.
