“ I was a Freshman at Antonian when Jay was a Senior and the incredible frontman for the Zilches/Virgil Foxx Group. He was also played many lead roles in stage productions by UACT. An astoundingly gifted individual. I recall his antics at dances at Antonian when, between songs, he would throw out into the crowd some of his albums by The Ventures, The Four Seasons, and Bobby Vee, to name a few. Godspeed to a legend.

I ran into Jay a few times in the past few years. He'd always grab me by the neck.
