“ We met Ed and Ruby in 1966 while working at USAA in the computer room and have been friends ever since. Hours upon hours spent at Bill Millers talking about the old times and old friends. Ed and Ruby are like family to us, our children and grand children. We all loved Ed and will miss him very much. Our prayers and support are with Ruby and family. How fortunate we have been to have both of them as dear friends. Our prayers are with Ruby and family.

With sadness and love.

“ I extend my sincere sympathy to his wife Ruby and the entire family. I met Ed when he started working at USAA. I was his boss and friend for a long time. He was a very caring person and an awesome individual. I have so many wonderful memories of him. He really cared about his fellow friends. In the early years we would get off work after midnight and then and go to breakfast. One night, we did not get done until 3 or 4 in the morning, so we went to the airport and ate breakfast. When we left the airport to head home, we were walking down one of the corridors and met Hoss Cartwright who had just arrived on an early flight (he was all dressed up in his Bonanza attire) he walked past us and said Good Morning, needless to say we were very excited. I thank you Ed for the wonderful memories and for being a SPECIAL friend. I also thank you Ruby for visiting Sonja and I after we both retired and I relocated to Nebraska. RIP my special friend and may God provide Comfort to Ruby and the entire family. God's Blessings to all.
